Hi [REDACTED],

Please report it to 311, send me a picture along with the service request number so I can work to get it scheduled.

Hi [REDACTED],

Can you please send me a picture of the encampment?

I have started an authorization for service of the area, but if you can send me a picture I can make sure that your street is included in the service grid.

It helps if you can report the encampment to [MyLA311](#). When you report the encampment through 311 you will get a service request number, if you share that with me along with a Picture I can do my best to expedite, but we do not have any service dates available yet.
